DOCUMENTATION

FFX is a comprehensive fuel treatment. Other products may have one or two of our components, but none have all of them. It would take many products mixed together to even come close to giving you the same benefits as using **FFX**.

- Used for 30+ years with commercial clients
- Over 2.5 billion miles tracked
- Over 65 million hours of use

Did You Know?

In 1973, Ernst Otto Fischer and Geoffrey Wilkinson won the Nobel Prize for pioneering the work of organometallic chemistry, which is the same chemistry behind **Fuel Factor X**.

TESTIMONIALS

"Before using FFX, my 'miles until empty' would average around 380. With FFX, that went up to 415 miles, then the third time I tried FFX it increased to 454, and it just keeps getting better and better! I'm getting more miles per tank—which means I'm saving money in between fills!"

- JODY NAGEL

"After just a few double doses in our diesel truck, FFX is definitely working! We're gaining 3-7 mpg, even when pulling our 42-foot, fifth-wheel RV. My husband also said he felt like it was pulling smoother and having to work less. We'll continue to use FFX because of better results as time goes on."

- THE HICKS FAMILY

"After using FFX for the first time, my vehicle went from 19.1 to 33.8 miles per gallon! Can't wait to see how much more it goes up with the second treatment!"
